jenequinept@charter.net www.equinerehabservices.com

Special Offer for July 2010

Horse not performing up to your expectations???

Have your horse a mini-evaluation (30minutes) to determine strengths, weaknesses, or muscle imbalances that can affect his movement patterns, transitions, propulsion and overall performance level. Special applies to barns with in 20 mile ...local radius of Brookline NH.

Minimum of 5 horses per barn.

Special rate now of only \$45 per eval, until July 31st 2010.
